SERVICES

We provide laboratory equipment with strong backup services to customers all over Pakistan. Our highly trained and efficient staff is equipped to handle all your needs, offer technical support, and provide professional advice. Our mission is "One-stop Total Service" for customer satisfaction.

We are a leading importer and supplier of quality laboratory equipment, serving various fields including Education Research, Environmental Sciences, Food & Agriculture Industry, Microbiology, Biotechnology, Pharmaceuticals, Diagnostics, Blood Banking, and Medical Sciences. We also offer consultancy services through qualified professionals.

Our successful sales network spans across Pakistan, ensuring that we meet the needs of our valued customers promptly. Our Principal's stock is maintained at our warehouse at Site No. 469, Sundar Industrial Estate, Raiwind Road, Lahore, allowing us to supply almost all equipment from our ready stock and minimize delays.

COMPANY PHILOSOPHY

Our unwavering commitment to honesty, skill, and care ensures the highest standard of quality in our professional services. We are dedicated to providing reliable and economical solutions that enhance the efficiency, ease, and safety of your laboratory experiments and tests.

Our company-wide dedication to quality and value, supported by superior customer care, technical services, and a knowledgeable sales force, ensures the rapid and effective execution of your processes. By continuously learning from our valued customers, we strive to deliver intelligent, world-class products that meet the highest quality standards.

OUR GLOBAL PARTNERS

ADAM EQUIPMENT, UK.

www.adamequipment.com

Complete Range of Laboratory & Industrial Scale and Balances, Precision & Analytical Balances. Highland Portable Precision Balances, Compact Balances, Jewelry Scales, Moisture Analyzer, Triple Beam Balances, High Capacity Scales & Industrial complete range of Scales.
